Homecoming

1974

" . . . tonight is something I will never forget . . ." These are some of the words that Shari Wilson spoke at the Homecoming Ceremonies, as she was crowned the 1974-75 Homecoming Queen at CCHS on October 18, by the retiring queen Debby Reynolds.

As she was crowned, her royal court stood watching. They consisted of Karen Markley, Senior Attendant; Julia Sponseller, Junior Attendant; Sharon Baer, Sophomore Attendant; and Marcia Bear, Freshman Attendant.

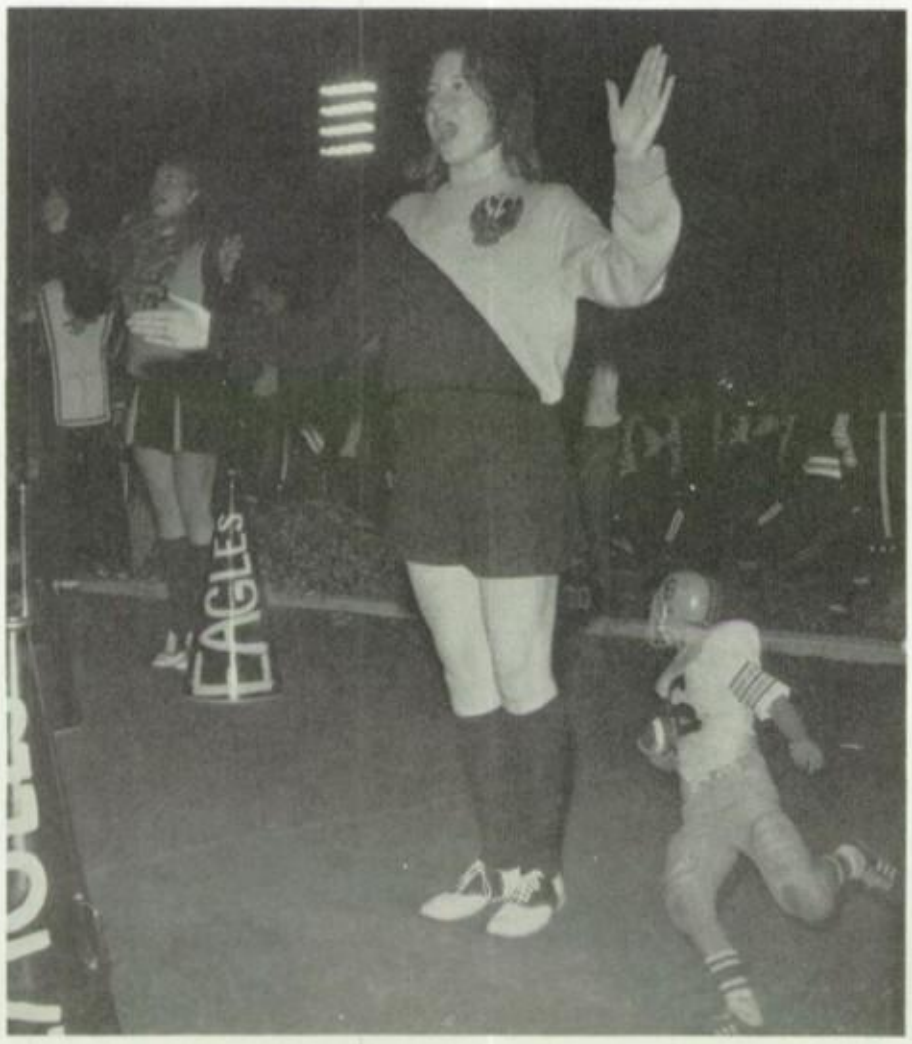
The Band plays for our Royalty.

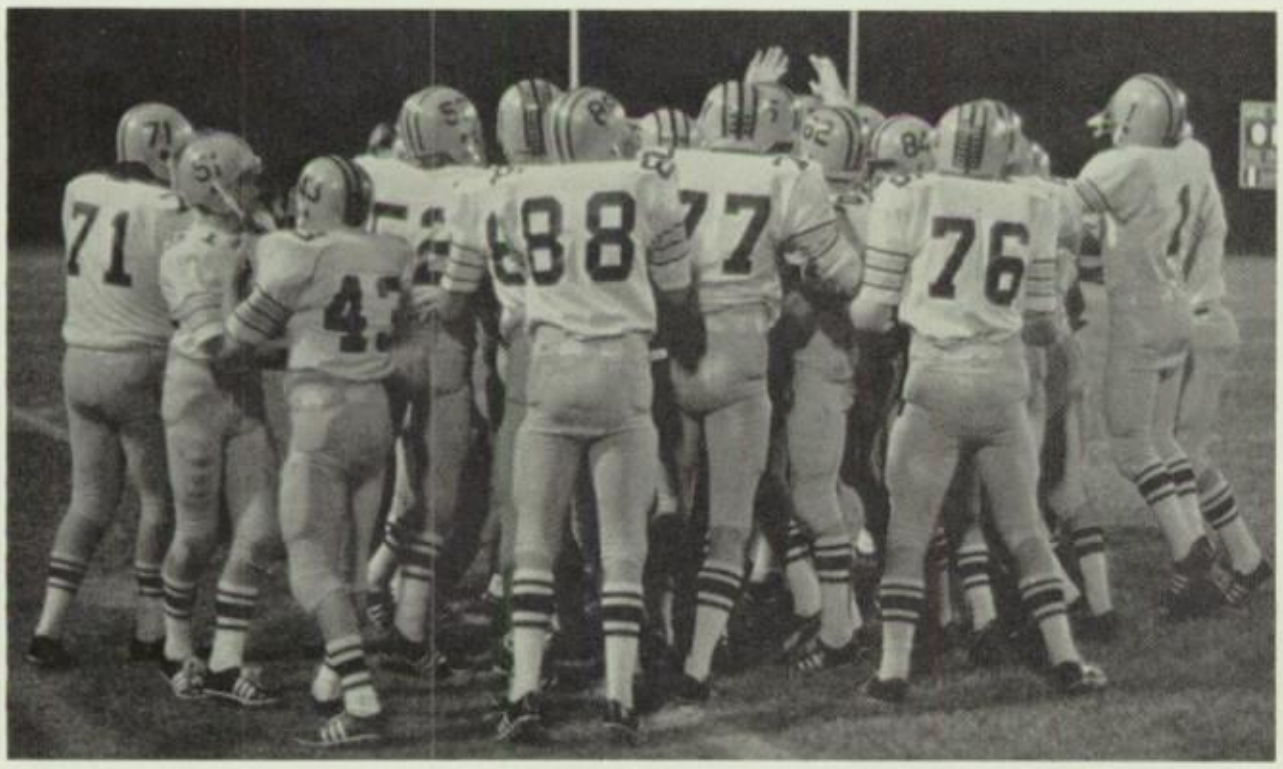


Varsity and JV Cheerleaders cheer with Wayne Spence in their minds.

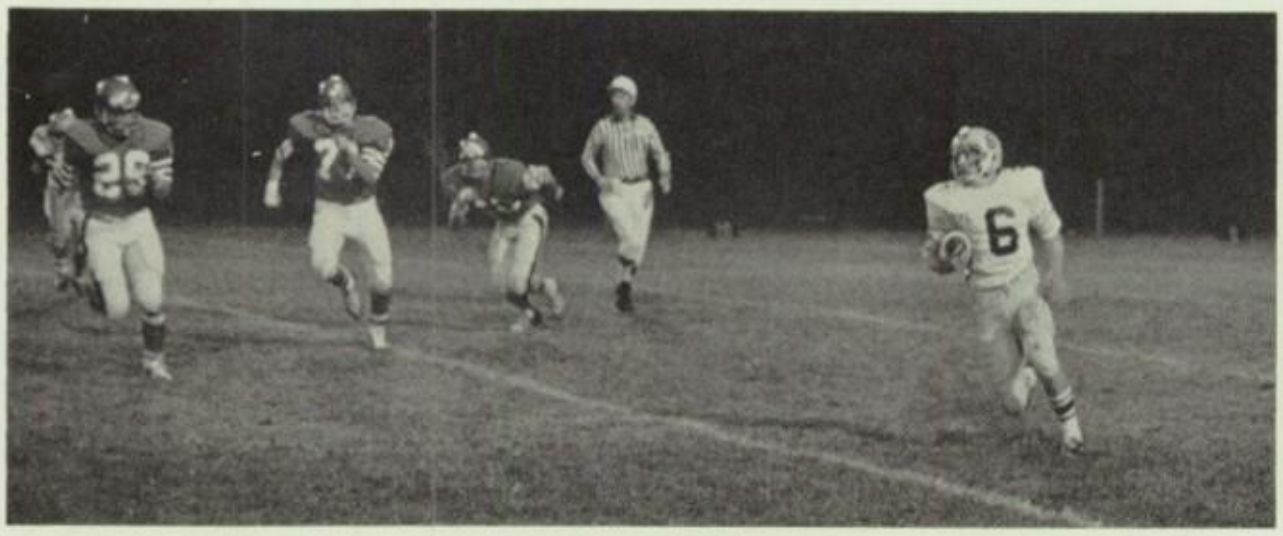
Aren't you proud of us MOM!

The moment she's been waiting for.

The football team tried their best to obtain a victory for the Queen and her court, but lost to Pleasant by a slim margin of 8-0. This was a victory in the eyes of the Royalty because the boys tried their best and hardest. But most of all this would be a victory in anyone's eyes, even our new football coach Mr. Reinking.



Who wants gum?



Look at Spence go!

Chris and Coach confiding.

The Phantom Postman

We're alone at last!

This year, the speech classes presented two one-act plays: THE PHANTOM POSTMAN, a mystery, and THE BAD, THE WORSE, AND THE BROCCOLI, a western comedy.

According to audience response, both plays were a considerable success, even though the actors encountered difficulty establishing distinct life-like characterizations. Yet, through hard-work and long rehearsals the cast was able to conquer all problems quite effectively.

While billed as a speech class play, the cast deserves the majority of the credit, for they not only acted but composed the majority of the stage crews.

All of the actors performed superbly; yet, if a "Best Actor" and "Best Actress" were to be chosen Byron Fruehling and Wendy Ryland would definitely be the director's choice.

Deliver de letter, de sooner de better.

Executives

As the 1975 school year came to a close, preparation of the seniors' graduation and the puzzlement of exams caused many to forget that 1975 was also marked as the year in which our superintendent stepped down from his position. Mr. Glen Cole has provided us with his talents at CCHS for many years as its former principal and superintendent. In Mr. Cole's honor, we would like to dedicate this page as a thank-you for all that he has done for the Colonel Crawford Schools and the community.

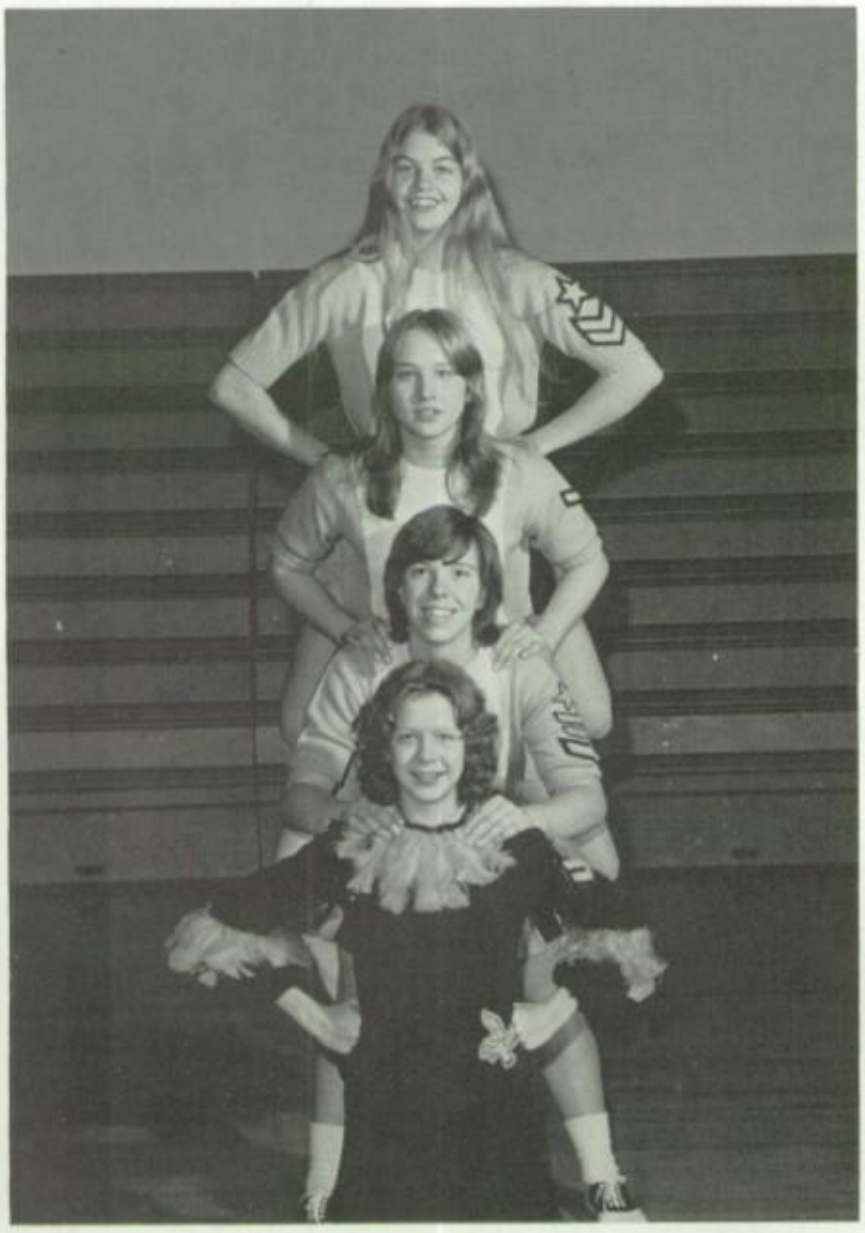
Left to right: Shari Wilson, Susanne Cole, Deanne Shryock, Susie Kocher, Cheryl Britton, and Colleen Fullenkamp.



TOP TO BOTTOM: Lisa Carlisle, Krista Ehmann, Barb Moser, and Stacey Goodhart.

Last summer the varsity and reserve cheerleaders went to the NCA Cheerleaders Camp at Oxford, Ohio. They learned new cheers, mounts, jumps, and pom-pom routines. They all had a great time. The varsity came back with two blue ribbons and one white ribbon, while the reserves had three blue ones. All of them together brought back a spirit stick, which is awarded to the most spirited groups at the camp. Congratulations!

In late August, the varsity went to the football scrimmages. After school started, the cheerleaders cheered and supported all sports. They were always busy painting signs, baking cookies, planning pep rallies, and practicing cheers. They worked hard to promote school spirit. To raise money they raffled a stuffed dog made Valentines, which they sold at noon. At a basketball game they dressed up like girls from the 50's and did a dance routine to "Rock Around the Clock".

The Eagles under new head coach, Ron Reinking, had a 1-8 record for the 1974 season. This year the Eagles were led by seniors Mike Baehr, Andy Dotson, Dana Frost, Ken Furcron, Ted Gingery, Chuck Long, and Larry Rayburn. Although the record was 1-8 the team was in every ball game until the end except one. Senior co-captain Chuck Long led the defense with 127 tackles. Rod Bear dominated the Eagles offensive statistics with a 114.5 yards per game rushing average while also leading the team in scoring with 4 touchdowns and two 2 point conversions. Special awards went to Rod Bear — 1st team all NCC and best offensive back, Sam Baker — honorable mention all NCC and best defensive lineman, Steve Long best offensive lineman, Chuck Long — honorable mention all NCC, best defensive back, and most valuable player, and Dave Moyer — most improved. The future looks bright for the Eagles as they have 18 lettermen returning for next year's campaign. Congratulations to this year's team for a great season and good luck next year.

Cross country

The 1974 Cross Country team had another great season this year finishing with an 8-1 record. Winning their opener against a rough Ontario team, they flew through the remaining season losing only one to Bucyrus. Behind top runner Tim Bauer and led by captains Jim Davis and Dave Lauthers, the Eagles also finished 2nd in the Ridgedale Invitational and Crawford County Classic, and 4th in the Findley Invitational. After winning the NCC, the Eagles also took 3rd in the Sectional, District, and finally finished 5th in the state in Class A. Another great year for the Eagles. Keep up the good work!!

and Come Back Third In State

The first ever fall golf season saw the 1974 golf team soaring to new heights with a perfect 17-0 season. This was the first undefeated season for an Eagle golf team and also the most wins recorded. In the NCC match the Eagles suffered a 1 stroke setback to Pleasant which may have been an important factor in tournaments ahead. The Eagles had little trouble in winning the Sectional at Rolling Acres, winning by a fairly comfortable margin. The District at Hawthorne Hills proved to be a bit tougher as the Eagles finished second to Ottawa Hills qualifying the Eagles for a trip to the Class A tournament in Columbus. The first round of the tournament saw the Eagles only 4 shots out of the lead but after the second day the team had to settle for third behind Ottawa Hills and Ashtabula St. John. The 1974 season was the first year a Colonel Crawford golf team ever made it out of the Sectional tournament.

The Eagle Linksters were led this year by seniors Matt Kline, Reed Hiltner and Jeff Foreman. Rounding out the top five and returning next year as lettermen are Randy Inscho and Steve Pyles. Among their many awards and records the team voted Matt Kline as MVP, while Steve Pyles was awarded the most improved trophy.

Volleyball Girls Are

Tourney Champs

Coach Ruckman's leadership and the volleyball girls' hard work combined to have a winning season and a tournament championship this year. The nine member reserve team had a record of three wins and four defeats.

The varsity squad had eight wins. Although they were defeated two times, they regrouped and became the champs. In the first of the three tourneys, the girls met with Fredericktown. They easily conquered this opponent, but consequently found the next game more difficult. This game with Wynford saw the Eaglettes losing the first match. They finally came back to defeat the Royals in the two remaining matches. The third game, and the final championship game, was with Clearfork, who was easily beaten.

The seniors were Kay Swartz, Carol Fortney, and Patti Long. These girls and the remainder of the team fought a decisive victory and brought back the trophy. CCHS EAGLETTES ARE CHAMPS!!

Larry works for a shot.

Varsity basketball at Col. Crawford had a rebuilding year, but the statistics were surprising. Eleven of the fifteen losses were between two and nine points. The field goal percentage of 46% ties the school record, and the eight varsity players all got their letters. Larry Winch won his 2nd year pin and also received Honorable Mention in the NCC. He also possessed the most assists, while the Marion Power Shovel award was presented to Gary Ogle for his extra hustle. Rick Beck was the most improved player of the year, and Jim Worden gained the highest free-throw percentage. Brad Ehrman was announced the 1974-75 MVP for the season, and he also gathered the most rebounds for the team.

The Eagles finished the season with a 4-15 record. Next year will see six returning lettermen. Under the leadership of Coach Hudson, we hope to see basketball become more successful in the years to come at CCHS.

RESERVE BASKETBALL: BACK ROW, l-r: Mark Lauthers, Pete Gaily, Roger Long, Jim Worden, Tim Blackford, Rod Staiger. FRONT ROW, l-r: Doug Brown, Wayne Spence, John Britton, Neil Roseberry, Al Baker.

The 1974-75 Reserve Basketball team also had a new coach, Coach Glenn Diebler. The team ended the season with a 7 and 11 record, which does not demonstrate the boys' hard work and determination that they put into the program. The high scorer for the year was Doug Brown who totaled 186 points for the whole season while John Britton and Tim Blackford also earned over a hundred points with 160 and 102, respectively. Leading rebounding was Roger Long, averaging 6.8 rebounds per game and the assists leader was Wayne Spence, as he averaged 3.2 assists per game. These individual totals prove that the boys worked well together as a team and they will add a lot to the future of the basketball program at CCHS.

Fantastic Freshman Faction Finishes Fine!!

Grab it!

Mike puts up a shot for two.

Once again our freshman basketball team completed a successful season. Our 1974-75 squad played very well as you can tell from the scores on the facing page. Again this year, the frosh leader and coach was Allen Cole. He guided them through a few rough spots and many good ones. Everyone played his very best because he enjoyed doing so. Thanks for playing such a fine season and keeping up the school tradition of a good freshman team. Good luck in the future!!

Milan stretches for a rebound.

Mark puts forth his earnest effort while Cory looks on.

Mike shows his determination with his hustle.

Don't give up!

E' Gal

Coach Cook has proven herself to be a true leader at CCHS. She led her Reserve team to a record of 2 and 9 and the Varsity to a winning record of 7 and 5.

The Reserve team was a very young and inexperienced team. Starting four freshmen; Cassy Dotson, Pam Arn, Susan Shealy, Melissa Guinther, one sophomore Coleen Shealy; and backed by the rest of the Reserve team fought in some tough games. With some good leadership and some hard work they are looking toward a good record next year.

The Varsity won some sound defeats and then some by determination. Leading the team was a senior, Patti Long. She was awarded MVP and had a total of 143 points. One of these points was the deciding point for a victory over Wynford. With two seconds left Patti shot a technical foul shot for a score 43 to 42. Patti, along with the combined help of captain Carol Fortney, senior Kay Swartz, and juniors Tina Hardgrow, and Linda Dill lead the Varsity to its winning season.

Under first year head coach Ken Jarvis, C.C.H.S. swimmers kept a winning tradition with an outstanding 11-3 record. The Eagles were led throughout the season by senior co-captains Ken Furcron and David Lauthers, along with seniors Jim Davis, Dana Frost, Mark Radebaugh and David Ridgeway. New team records were set in the 400 yd. Freestyle Relay, 200 yd. Freestyle, 500 yd. Freestyle and 100 yd. Breaststroke. With many veterans returning for the 75-76 season, things look good in the coming years for swimming at C.C.H.S.

1 2 3 GO?

Sandy practices for a big meet.

This year's gymnastics team was fairly young, but it did not stop them in the big meets. They competed with much larger schools and often came out on top. The biggest meet that the girls competed in this year was the district meet held at Toledo. The Eaglettes had one girl who qualified for the state, Sandy Smith, a freshman. All of the girls did well in the district meet, even though most did not qualify. Most of the girls have another year of competition and are expected to do very well next year.

From the middle of January to the middle of March, eighty-three boys didn't find much of a chance to sleep in on Saturday mornings. The boys combined together to form thirteen teams which were later divided into two leagues. The regular season ended on February 22nd and for the following three Saturdays the Tournament Championships were held. The Roundballers were declared champs after their game with the Gunners, and the Bad Company fought against the Speedwagons for the Consolation title. A big thanks goes to Mr. Royer for his help in organizing and to Leon Diebler and Gary Ogle for their loss of sleep.

The 74-75 track team was again coached by Mr. Royer. They ended the season with a record of 6-2. This year's team was led by ten seniors. In the NCC meet the Eagles came up with 40 points, which gained them fifth place. On May 10th in the sectional they came home with a fifth place that totalled 26 points. Four new records were either made or tied this year. Mike Dennison tied Jim Gerhart's 15.4 in the low hurdles and Mark Radebaugh broke the discus record with a distance of 132 feet, three inches. Leon Diebler also broke the pole vault record with a height 12 feet and Lee Gardner tied Dan Morrow's high jump of 5 feet, 8 3/4 inches. Mike Dennison was voted as the most valuable trackster and Dave Lauthers was voted as the most improved. Jim Davis and Dave Lauthers were also given lifetime passes to all sports at CCHS for their receiving nine letters or more during their high school careers. Next year's team should have much success and much luck goes to all its members.

Young Squad Puts First Foot Forward

Mary Ann strives to be the leader of the pack.

This year's girls' track team was an especially young group. Out of the thirty-eight girls who went out for the 1975 team, only one person, Kay Swartz, was able to obtain her fourth year award. Most of the meets which involved the Eaglettes were tri-meets and invitationals. At the pre-district meet fifteen girls qualified for the district contest. The district saw Deanne Shyrock qualify for a trip to Columbus and eventually earn the sixth top spot for the 880 run in the Class A schools in Ohio. This involved 265 schools and was the first girls' state track meet to be held in Ohio. Congratulations to Deanne and to the rest of the team for a fantastic year.

Baseball at CCHS was again led by Coach Al Cole. Under his guidance the Eagles came up with a 7-10 overall record while having a NCC record of 3-6. During the Class A tournament, the team first met the Big Red of Plymouth and beat them 2-0. However, they failed to make it out of the sectionals due to a setback by the Wynford squad, 8-5. Despite their average record, the team had six seniors lettering, while four juniors along with one sophomore gained their award. At the spring athletic banquet on May 29th, pitcher Kevin Richards was awarded many honors which included the highest batting average of .269, first team NCC, and finally the Most Valuable Player award. Rick Beck was also honored by the NCC as he was given honorable mention, plus Rick also received his fourth year award. Tom Dapper was presented with the Most Hustle and Desire award which is given to the person who puts forth the most spirit and determination during the season. Also, Phil Sponseller and John Britton were recognized as the leaders in fielding with an average of .966.

Debbie shows her ability to steal.

SAFE!

What an arm!

Did you see that?

Intramural softball was introduced into the girl's athletic program this year, by our fearless leader Coach Cook. Four teams were put together by the girls at CCHS. They were: the Fantastic Freshmen, the L.I.B. Team, the Slam-Alot-Sluggers, and the Senior Superstars. Games were scheduled after school.

From the best players on each team an "All-Star" team was formed. They were Stacy Goodhart, Cindy Studer, Colleen Shealy, Darla McFarland, Kathy Keller, Debbie Rehm, Missy Guinther, Pam Ash, Kathy Newman, Pam Studer, Coach Cook, Tina Hardgrow, Beth Downs, Sharon Nelson, Debby Walter, and Lynn Miller. These girls represented the CCHS Girls Softball Team.

Tough games were played with Bucyrus, Lexington, and Ontario. The team, having a slow start, did not come up with any victories, but their talent and ability never failed to show through.

Any time now.

Junior power in action.

Seriously, what Umpire Tim says, goes.

Ambitious Golden Eagle Staff

The 1975 Golden Eagle Staff had a very successful year with one of the largest groups in its history. Mostly everyone helped a fantastic amount and co-operated quite well. Early in August, the staff members sold annual ads to help finance this year's book. The co-editors were Kathy Newman and Susan Sweney. They attended an annual workshop for a week in June at Morehead University in Kentucky. While they were attending the workshop, they learned many useful ideas which are used throughout this book. Sue Pfahler and Mrs. Jones also assisted them a great deal, along with many others. Everyone's hard work is shown in this book. The work on the Golden Eagle proved to be a long, drawn-out ordeal, but it was well worth the trouble; it was an experience not to be forgotten.

SENIOR STARS

A new organization started this year is the Col. Crawford Varsity Club. The club was composed of all boys that have earned a varsity letter. Being organized late in the year, the varsity club was not able to sponsor too many activities. They held ropes for the basketball games and have now set up their constitution and system of initiation. Under the direction of Mr. Reinking, the Varsity Club is expecting many more years of fun and good times.

A sophomore gang enjoying the FHA Senior Farewell Party.

JUST LIKE MOM!!!

The theme for the future Homemakers of America was "Reach Out and Touch." Several speakers came in and spoke about the Children's Hospital in Columbus, the problems of having a retarded child in the home, and birth defects. The girls had several money-making projects during the year such as washing airplanes, a bake sale, and lollipop sales for the retarded children. Various parties were enjoyed such as a pizza party, roller skating party, a swimming party, an ice skating party, and a children's party. One of the FHA meetings was designated as Daddy-date night, and the final meeting was declared a Senior Farewell Party. The club had a very interesting and active year which is the tradition of the FHA clubs at CCHS.

Potting, planting, watering, and "goofing" around, lots of "goofing" around; all these exciting things were enjoyed by the CCHS horticulturists. Along with these things the intrepid club members kept the school grounds in some semblance of order. They kept the trees and bushes well pruned and fertilized. NEXT YEAR the club is looking forward to more members and more fun, so join up with the Billgonia Bunch.

A well deserving junior is honored by a senior member.

Mr. Morrison expresses his congratulations to the new members.

Rev. Jarvis provided his listeners with thoughtful comments.

On March 11th, the six old members, Kathy Newman, Jeanne Gerhart, Sue Pfahler, Anita Kidd, Karen Markley, and Randy Lady, went out into the audience that was assembled in the gym. At that time they inducted eleven new members consisting of two seniors and nine juniors. The new members were Mike Akers, Cheryl Britton, Susanne Cole, Rich DeWitt, Ed Fetter, Byron Fruehling, Becky Goff, Jim Knappenberger, Kay Swartz, Debbie Walter, and Mary Wenzel. To be eligible for this honor a student must have an average of a 3.5 for a junior, or a 3.3 for a senior; they must also possess the qualities of character, leadership, and service. The program consisted of music provided by Marvin Long and Patti Long, and the guest speaker, Reverend Alfred Jarvis of St. James Episcopal Church in Galion. This honor is among one of the most prestigious that can be awarded to a student at CCHS . . . CONGRATULATIONS!

This year despite many pressures the student council has accomplished much. For the first time the student council made money on the Homecoming Dance. The student council also became involved in the North Central Conference Student Council. Student Council exchanges were carried out with Mohawk and Ridgedale. The Student Council also reformed the exams to allow students to leave after their last exam. All in all it was a very productive year.

The Vicious Circle of Producing Your Newspaper . . .

No one will ever realize the amount of blood, sweat, and tears that are put into an issue of THE EAGLES EYE. Having the reporters get their articles in on time and making sure the typists have everything typed ready to meet the editors' deadline is a unique experience. The pattern on the opposite page was followed as each issue was put together. The size of the staff could mislead you as the majority of the work was done by a very few staff members. A new record was set by the editors, Brian and Beth, as they stayed at the school on the evening preceding the senior issue deadline until 9:30 p.m. These late evenings are usually unknown to the school; even to the rest of the staff. Best of Luck for better co-operation and a successful year is wished to the new editors as the old retire!

The band worked hard this year to perfect their shows and perform them to the best of their ability. At all nine football games, they played and supported our fighting football team through rain, sleet or hail . . . the show must always go on. Basketball season was very successful for the pep band, also. There were always enough people present to make music and add an attraction to the half-time warm-ups. A new addition this year was stage band. Their name is "The Free Spirit" and they had several engagements at the YMCA and the Brown Derby. The year was highlighted by the annual band banquet held in April. Two students were awarded outstanding awards for musicianship. Brant Zucker received the H. J. Gary award and Cheryl Yaussy received the outstanding bandsman award.

The choir this year enjoyed having a new director to lead them; she was Miss Joanne Stauffer. The group had lots of fun and worked very hard. They put on a program at Christmas and one if the spring. Related groups to the choir were a boys' quartet and a girls' ensemble. These two groups sang at various churches, clubs, and other functions. The entire choir went to contest and came back with a two rating. The ensembles and many solos also went too and did well, also. The CCHS choir did a great job this year and were always quite busy.

The Freshman Choir was really busy this year practicing for their winter and spring concerts. The freshman girls' ensemble also was occupied, singing at the contest where they rated a II. At Jr. High contest Cheryl Bogan and Tenny Shifley sang solos and received a I, while Tim Kindler earned a III for his solo. Also at the Senior High contest, Lois Marvin and Susan Blackstock sang solos and each got a II. The Choir enjoyed being led by their director Miss Stauffer, with the assistance of Mr. Zahn, and hope to pursue their talents for several more years at CCHS.

Andros Bahamas 1974

THIS!! is Andros town?

The 1974 Andros Bahamas trip began July 19th. After a twenty-six hour drive, we arrived in Fort Lauderdale. Despite a slight delay, we finally took off for Andros. The group spent ten beautiful days of exploring under and above water life on the island. Then we headed back to Lauderdale on our DC-3. After a hectic night at Fort Pierce, we started back on our long drive to C.C.H.S.

"FANTASTIC FIFTIES"

On May 18 the gym at CCHS was not in its usual form. The walls were covered with murals of malt shoppes, gas stations, drive-in movies, and other various scenes. The one end of the gymnasium was highlighted with an juke-box, while the other end featured a fountain. At 7:30 the solemnness of the gym was broken and the festivities began. The program included remarks made by Mrs. Jones as she gave the "First Annual English Awards," and several songs by the girls' ensemble, plus the class prophecies read by Tim Bauer. After the program was adjourned, everyone enjoyed a buffet style dinner. As people finished, the dance began with music by the S & R Express which featured several songs from the 50's. For the after prom a journey was made to Bucyrus to see the movie PELHAM 1, 2, 3 and then later to Suburban Lanes to bowl.

A Night to Remember . . .

What's the matter, Pam?

Where's Jane?

After a year of financial difficulties and impossible dilemmas, the seniors finally earned a trip to the Wooster Presbtery Outdoor Center. They left the school at approximately four o'clock and arrived at the center an hour and a half later. The May 30th trip consisted of nearly half of the senior class indulging in wading, volleyball, basketball, swimming, eating, and a few other surprises. On Friday the crew enjoyed a thrilling thunderstorm which did not dampen the spirits of anyone. The highlight of the trip was the canoe trip down the Mohican River. On the trip Chuck Long and Jeff Dummitt were declared the biggest bullies of the group due to their consistency in turning over canoes and giving everyone bruises. Everyone returned to the school at 7:30 PM with the satisfaction of being home at last. A special thanks goes to the bus drivers and the chaperones, and it is certain that the 1975 senior class trip was an experience not to be forgotten.

North Electric Company... the ESP professionals

ESP can stand for many things. Best known, of course, is Extra Sensory Perception. North believes ESP has several other significant meanings.

For instance, adjoined to North, ESP means Electronic Switching Pioneer. That's us. We've been producing and fielding electronic processor controlled switching systems for more than a decade. In fact, they number 56 since 1961.

ESP also is an abbreviation for Electronic Stored Program. For years our Programs for Electronic Stored Program switching have been extensive and varied.

North's DATAGRAM computer-aided learning system was one of the first dial access electronic stored program systems developed for colleges and universities.

Our automatic patching system for the U.S. Space Program efficiently automated down-range communications for the Atlantic Missile Range.

North NX-1E electronic stored program commercial telephone switching offices are meeting the increasing service and operating efficiency requirements of America's fast-growing Independent telephone industry.

AN-TTC-25 tactical switchboards—totally electronic and dual-processor, software-controlled—have opened up a new era in speedier, more reliable tactical communications for the Seventh Army in Europe.

The unique ETS-4, North's advanced electronic multi-processor controlled four-wire toll switching center, serves up to 60,000 trunks.

For the nation's SAFEGUARD program, North is providing processor controlled switching equipment with dual time-division-matrices for utmost reliability.

You shouldn't have to call upon your ESP to perceive that North Electric stands high in the capability to provide reliable, advanced state-of-the-art switching. Knowing the ABC's of electronic "switchcraft" carved the way for North to be recognized as the ESP professionals.
